

Transcend Communications Saving Lives

March 27, 2008

It was donor days for Transcend Communications yesterday!

Five employees of Transcend headed over to the Memorial Blood Center to give one pint of their blood that in turn saves 3 lives per pint. The blood is processed on site and distributed for its red blood cells, platelets, and plasma. The blood donated stays in this region for use and one individual is able to donate up to 3 units every 2 months.

♥ **It's easy**

♥ **It's quick**

♥ **It's free**

♥ **It saves lives**

Thank you to Kasey, Sean, Jon, Jim, and Melissa for your donations.
